Introduction

Computer-Supported Collaborative Work

Electronic Writing Tools

Electronic Forums and Meetings

Computer-Supported Collaborative Work

1.3: Effective electronic collaboration
6.6: Effective electronic collaboration
18.2: How can email disrupt the workplace?
18.3: What is "attachment rage"?

- **[Online Distributed Education / Writing, Discussion Groupware, Synchronous and Asynchronous](#)**
Overview and reviews of resources, software, training environments, collaboration/conferencing software, and tools.
- **[Publications in On-Line Collaboration and Educational Technology](#)**
Educational technology papers and practical applications that go beyond the standard "threaded topic" formats of email and message-based conferencing systems.
- **[How Groupware Accelerates Organizational Learning](#)**
An article by Britton Manasco on how consulting and financial services companies use collaboration to "generate and manage intellectual capital."
- **[Workplace Privacy Issues With Electronic Tools](#)**
Wired News article: "Privacy at Work? Be Serious." Jeffery Benner discusses new products used by employers to monitor workers' electronic communications.
